

Parking in our churchyard is very limited and we need to reserve spaces for necessary vehicles and folk with disabilities. We respectfully ask that you make your guests aware of this and either give them the enclosed map with directions to nearby car-parks, or direct them to our website here, which has similar information available.

If you have further queries, please contact the Parish Office by calling 0117 950 8644 or emailing office@westbury-parish-church.org.uk.

Many thanks for your consideration in this matter.

Every blessing,

Alison
